

## How Red Wolves get around campus

1. Adrian Infante, a KiwiBot engineer from Colombia, rides an electric scooter.

2. Zakeyo Chisala, a sophomore international business and economics major from Lusaka, Zambia, rides an electric scooter.

3. Paula Kelley from Jonesboro, drives a golf cart on campus.

4. Gavin Schafer, a first-year mechanical engineering major from Elmhurst, Illinois, rides a bicycle.

5. Soraya Byrdsong, a Ph.D. student in environmental science from Atlanta, walks on campus.

6. Thinh Vu, a senior computer science major from Ho Chi Minh City, Vietnam, rides an electric skateboard.
